

## DISTRICT G. O. P. MEN GIVE PARTY \$35,000

\$15,000 Sent to National Committee.  
\$2,000 for Maryland Contest.

Although District residents have no votes, they contributed more than \$35,000 to the Republican war chest for the election of Hughes, according to a recapitulation of campaign funds made by local G. O. P. leaders last night.

Of this amount \$15,000 was sent by the Republican State Committee of the District to the Republican National Committee and nearly \$2,000 to Maryland to aid the contests in the Fifth and Sixth districts and the fight for the United States Senate.

Eleven thousand dollars was raised by private subscription, of which \$10,000 was forwarded direct to the public headquarters in New York. The Republican Congressional Committee received more than \$5,000 from District residents for the representative contests throughout the country, and \$1,500 was raised for the support of the local political headquarters. This is the only political division which has received no aid from the Republican National Committee.

Contributors to these funds and members of the League of Republican State Clubs will be the special guests at the headquarters on election night, when the returns will be received.
